

Diagram Documentation

dim_session

Field	Description	Type	Default	Other
id		integer		PK
session_id		string		
session_start_ts		datetime		
session_end_ts		datetime		
session_duration_sec		numeric		
user_id		string		
ip		string		
session_ts		datetime		
page_id		integer		FK
referrer_page_id		integer		FK

page_view_by_session

Field	Description	Type	Default	Other
id		integer		PK
session_id		interger		FK
page_id		integer		FK
page_view_order		integer		
page_view_start_tS		datetime		
page_view_end_ts		datetime		
content_id		integer		FK
date_id		string		FK
page_count		integer		
content_count		integer		

dim_page

Field	Description	Type	Default	Other
id		integer		PK
url		string		

dim_content

Field	Description	Type	Default	Other
id		interger		PK
content_id		string		
content_type		string		

Field	Description	Type	Default	Other
creation_date		datetime		
version		integer		
body		string[array]		
author		string		
related_media		contentId[array]		

dim_date

Field	Description	Type	Default	Other
id		string		PK
date		date		
year		string		
month		string		
day		string
